Ritu Kabra - Club President 2019-2020

Thank you everyone for a great year.

It gives me immense joy to introduce Club President Smeeta Jhunjhunwala. She is a charter member of IWCBB.

In 2013-14, she was the Club ISO & was awarded the District Five Star Award.

In 2014-15, she was the Club Treasurer & was awarded the Golden Certificate of Excellence.

In 2015-16, she was the Club CC & planned lovely events for children.

In 2016-17, she was the Club Secretary & executed all the duties perfectly.

In 2018-19, she served the club as a member of the Executive Committee.

In 2019-20, being the Club Vice President she was preparing herself to be the President.

She has been a part of the Overnight Trip Team almost every year.

She is multi-talented & very versatile, she runs a domestic catering business known as 'Simply Dips by Smee'.

She is blessed with two children Vedika & Vidur.

She is involved in the family business with her husband Ashish, managing the logistics & finance.

A BCom graduate from HR College, has also done Software Science from Tata Unisys Ltd.

She also has a mystical side to her being a Certified Tarot Card Reader & Certified Handwriting Analyst.

Club President Smeeta, all the best for your wonderful journey ahead as Club President of Inner Wheel Club of Bombay Bayview.

Inner Wheel Club of Bombay Bayview

2020-21

Smeeta Jhunhunwala - Club President 2020-2021

Early this year, the Tarot Card reader in me had told me that I would be deep in service this year. Though my experience had warned me not to literally interpret the signs, I had no idea that I would be joining forces with the world to survive a pandemic that has humbled the research, medical and technical fraternities of the world.

Adding to this realization is another challenge. The new normal. What is it? How intense is it going to be? Uncertainty and fear surrounds me. But that's just it. It only surrounds me and fails to get to me, to penetrate my faith and conviction. And that is because, the outer layer of paranoid fear is cushioned by the support that you, my friends show me. I know I have a gallant army of responsible members who are committed to keep the city Safe and Healthy. That is our objective for the coming year and that is what we will do together.

Friends, it gives me great pleasure to be leading this change at Inner Wheel Club of Bombay Bayview, working with you as a community to make this NEW NORMAL the accepted norm, and take the responsibility to do the best I can in this unique situation. I have a wonderful team who share the same vision and spirit.

We all share the same gratitude and oneness towards the club and its many activities. We are here for the same purpose, to enrich ourselves and the lives of the lesser privileged. In Bayview's journey, 2020 will be extra special, as the universe has given us the opportunity to serve on a wider platform and for a greater cause. My dear members, I encourage you to embark on this enriching journey with me and help LEAD THE CHANGE into redefining normal and emphasising on health and safety.

Inner Wheel Club of Bombay Bayview

2020-21

Amala Mehta - District Chairman 2020-2021

I send my greetings to all the members of Inner Wheel club of Bombay Bayview. My best wishes to President Smeeta Jhunhunwala and team 2020-21. You are indeed blessed to be chosen to lead your club . It's an opportunity to serve the organization and motivate members to serve the community along with you. Hearty congratulations to President Ritu Kabra and team of office bearers for excellent leadership, worthy projects and fellowship programs in the year gone by. A small and new word "corona virus" has altered our lives as never known before. The lockdown and social distancing have changed the whole of our everyday lives. While restrictions are being relaxed let us stay alert and safe. As Inner wheel members and responsible Indians Our commitment to underprivileged and needy has not wavered. we shall continue to strive to help those in need, inflicted with social & medical miseries. Our IIW theme for the year is "Lead the change". What an apt theme! As the effects of pandemic recedes and humanity gains confidence in current routines, our world will change and so shall we. Each of us must adapt, adopt and evolve. Let us be more creative in our approach to our activities.

Through our District coordinated Urban Medical Project we shall help as many hospitals and other institutes who are working to combat the pandemic, through the donation of medical instruments and kits. We shall try and help as many underprivileged and orphans in their educational needs as possible. Environment is the thrust area of Association President. Water conservation, Alternate source of energy, E waste management and our Inner Wheel Forest are going to be our focus in the year. Every effort must also be made to publicize the good work done by Inner Wheel so that it improves our public image and we get more support in our endeavours.

As we embark upon this journey in unprecedented times. I can say with conviction and commitment that "We shall overcome".

Inner Wheel Club of Bombay Bayview

2020-21

Rtn. Smita Parekh - RCBB Club President 2020-2021

Dear President Smeeta

Heartiest Congratulations on your role as the President of Inner Wheel Club of Bombay Bayview. A beautiful new chapter in your life, waiting to be written.

I am sure that you will provide the right direction to your Team, execute the right projects and do justice to the resources from benevolent donors.

The world needs Rotary, Inner wheel, our dynamic Rotractors and Interactors more than ever before. We have got this noble opportunity to give back to the society and improve the lives and the world around us. Let's make the best of this.

Rotary Club of Bombay Bayview will be most happy to work with you jointly whenever the opportunity arises.

I wish You and your Team a very healthy and fruitful new Inner Wheel Year.
