### Destiny in our hands

Dosto, यह विषय अपने बचपन में सुने मशहूर पंक्ती की याद दिलाता है... "नन्हे मुन्हे बच्चे तेरे मुझी में क्या है" ... मुझे याद आता है जब मैं छोटी थी ... तो मुझी खोलकर ढुँढने लगती थी ... क्या छुपा है जो दिखता नहीं ... क्या ढुँढ रहे है सब ? ... लकीरों की कहानी जब जिन्दगी की जुबानी सुनी तो समझ आया ... "किस्मत तो एक पहेली है, मेहनत अपनी सहेली है" ये बात सही है किहम सब का प्रारब्ब (Destiny) अपने साथ लेकर पैदा होते हैं मगर ... "god has still given us free will" ... सही दिशा, सही राह चुनने की क्षमता ... फर्ज किजिए ... आपके किस्मत में अगर किसी अपने क् साथ नहीं लिखा है ... तो ये आप पर निर्भर है करता है कि आप अपनी और अपनों की जिन्दगी मशाकल बनाये ... रिश्तों की समेटने की कोशिश करें ... खुद टुट जाये ... या खुद कुछ करके दिखायें ... ये Destiny तय नहीं करती ... फर्ज किजिए ... आपसे ५०० Rs. का नुकसान होना लिखा है ... तो ये आपपर निर्भर करता है कि ये नुकसान कब होने दे ... जब आपके पास Rs. ५५० हो ५०५० Rs., हो या ५,००,०५० Rs. हो ... आप स्वयं जान सकते है प्रबलता यहाँ किसके पास है ... कैसे खुद को समक्ष कर इस जीवन रूपी दौड में अवल आ सकते है..

एक British golf championship में एक golfer ने final round में shot मारा जो उंचाई में जाकर flag post पे टकराया और ball सीधे ide में जा गिरी... एक कॉमेंटेटर ने जोश में अनाउन्स किया... "Oh my goodness, what a lucky shot"... और सब कॉमेंटेटर ने इसे नकारते हुए फरमाया... "What do you mean lucky? Do you know how many thousands of hours, we spend practising shots like this! He was trying to put it in hole and he got lucky! Let me tell you, he worked long & hard on getting lucky..." More eloquently put, the harder I practice the luckier I get, by legendary golf player...

"The harder I practice, the luckier I get can you see... क्या आप देख पा रहे हैं the connection here ... किसी का "सही समय पे सही जगह होना" सही वक्त पर लोगों से मुलाकात होना, ये महज उक इतफक हो सकता है, जिसने जीवन को सफल

## Let's be VIBRANT says 'Our President' Rajni routes her road map for "Service above Self"

"Thousands of candles can be lighted from a single candle, and the life of the single candle will not be shortened." - Gautam Buddha

Inner Wheel has been a dream come true for me, a true opportunity to practice 'service above self'. Each community service project we have undertaken is like a child whom we have nurtured, taken care of and help it grow to make a difference.

I believe that together -- yes ladies, TOGETHER we can and TOGETHER we will indeed make a difference in the coming years by helping all those we can reach. My team and I aim to focus on developing, growing and providing for the underprivileged and contributing our share in being a better tomorrow for our city, country and for humanity.

It's an honor to carry on the torch passed on by our IPI Nombha Miran and the board of 2013-2014 and I hope my team and I can accomplish new feats and live up to the expectations set for us. I am extremely excited to take on this post and hope that I can unlock my expertise in community service to its maximum potential.

Together, let's make this year a truly memorable one by making a visible difference to the world around us. Together, let's be the VIBRANT ladies of Inner Wheel.

## Recording breaking day for the Club Provided Nourishment to 7000 children to celebrate ANNAPOORNA DIWAS

On 17<sup>th</sup> July 2014 we went off to a great start to the year, by distributing food to 5000 children at Michael High School, at Kuria village, Mumbai. This was in collaboration with the Rotary Club of Bombay Bayview. President Rajni personally organized the food arrangements. District Governor Ajay Gupta along with District Secretary Jayesh Verman visited the centre and were content with all the arrangements. The First Lady Krishna and President Hemang Engineer were present with RCBB members.

Club Correspondent Anuja Shah, SOI Mitul Maniar, Executive Committee Members' Sangita, Javani, Sonal Punjatar, Club Members' Hemang Shah, Sina Shroff, Neelva Sutar enthusiastically served sumptuous food to all the children. Simultaneously 2000 children at Shivshankar Advaita School at Balapur, Sangolli and other various centres were also served lunch.

## PP Mita Sheth goes Zonal

**Our Zonal Coordinator shares her thoughts**

I joined Inner Wheel thinking it would be a great way to make a difference in my society, and around the world. I can say that as an IW member, my greatest joy has been in improving the lives of children. Different clubs do different things, support different causes, and have impact in different ways. Being a part of the IW District as a Zonal Coordinator allows me to bring the energy and the friendship of different clubs closer.

All the three Past Presidents of your club are dynamic and thus are on the various district sub committees. I pray that you keep up the good work year after year.

Light The Path is a beautiful theme given to us by our IW President. Our own Association President wishes us all a Vibrant Inner Wheel.

Putting both together I would say let us light the path of all around us with love and care, and vibrate with energy and enthusiasm towards our goals.

TOGETHER WE CAN ... TOGETHER WE WILL

## Truly blessed.....

Only those two words flash in my mind for these last five months that have passed. We have touched the maximum number of lives, and benefited the most lives we possibly could.

From Tulaer blocks at Balapur and Neral to recreational facilities, solar lights and emergency vehicles at Sangolli, food and distribution, audiotapes and water filter at Neral Hospital. Fulfilled Diwali parties, Independence Day celebrations, milk and breakfast for the school going class children, computer donation at different places and women camps, medical camps, blood donation camps, defence workshops, you name it and we have done it. Last but not the least we had a successful Prayan event - a labour of love that made the event full of fun. It was a perfect catalyst for Relief Therapy which was enthusiastically supported by our Young and enthusiastic

Retraction: We have done five plantations, micro credit schemes and sponsored the Be Alert book with the district. All this could not have been done without the whole hearted support of our members. When I asked my team members or members of the club, I never received a single NO as an answer for the donations and support for any project. It is evident that the members have put their full faith in my decisions and I continue to strive to work hard each day with the utmost incentive not to let any of those supporting members down.

Thanks to all of you who have supported our endeavors in trying to help the people by your donation, ideas, moral support and practice.

Stay tuned to make this year most memorable for our racing team Wheel Club ... and let me make it a great home for which we can be proud of every single moment of effort put into our endeavors.

## Ek Aas Kuch Khaas

**Our 4<sup>th</sup> Annual Fund Raiser**

We presented you an awesome Show: 4 of Prayaas, and we are happy to say we delivered! It was held at South Side lounge of the World Trade Centre on 27<sup>th</sup> September 2014. District Chairman Hemant Narasimangoudar inaugurated the fund raising with many district dignitaries and guests. The amazing energy that drives us on to lift when RCBB and IWCBB members, all put together for a cause which was so clearly evident.

What followed was unshakable cheering, and the ringing of metaphorical cash registers! Our Bombay children were part of it, too, playing cymbals, conch shells and singing among a variety of acts. They demonstrated perseverance and creativity, confidently handling everything that came their way. A big round of applause to District President Siddharth Malgi, Ervi Madh and their whole team - they were the true stars of this event!

General sentiments of the Zone & the District, visitors & exhibitors alike, were that of delight, appreciation and joy! DC Hemant Narasimangoudar isq hoo, when she told us, "Congratulations Bayview! You did it again!"

A heartfelt thank you to all who helped make the Prayan event more than Special mention must be made of IWCBB members IPI Nityasha Miran, Ex conv Sangita Zaveri, Manu Smita Mathura, Manu Smita Gupta and Es.com. Top Dreams, who donated this event was a smashing success!
